

International Council for Innovation in Higher Education
XXIX International Conference • 1-4 August 2011 • Miami, Florida • Mandarin Oriental Hotel

**“A small group of thoughtful people could change the *world*.
Indeed, it is the only thing that ever has.”**

Margaret Mead

The International Council for Innovation in Higher Education is an association of

- university faculty and administrators
- civic, government, and industry practitioners
- scholars, including elementary and secondary educators and student scholars

ICIE serves to promote

- ✓ progress in education
- ✓ excellence in pedagogy
- ✓ successful advisory and leadership initiatives
- ✓ the procurement and development of resources
- ✓ scholarly research and ethical standards
